

Thank you for your ongoing interest in the Parent Advocacy Network!

Did you know that we are made up of volunteer parents across Vancouver and beyond just like you?

We are united by an ongoing desire to understand, navigate and advocate for equal access to a fully funded public education system for all students.

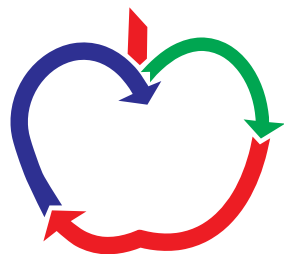

We believe:

ALL CHILDREN

**HAVE A RIGHT TO HIGH QUALITY PUBLIC EDUCATION,
ACCESSIBLE IN THEIR OWN NEIGHBOURHOODS,
IN EDUCATIONALLY APPROPRIATE & SEISMICALLY SAFE BUILDINGS
WITH THE RESOURCES & STAFF NECESSARY
TO MEET THEIR LEARNING NEEDS.**

Do you?

If so, come chat about what keeps you up at night in public education.
Come listen or actively participate, new advocates always welcome.
